Lord God we thank you

For the Great Gift you give

The world in Children

Give US The Grace

To dedicate ourselves to be

CHANNELS TO EACH OTHER

Of your priceless love

FREELY GIVEN and FREELY RECEIVED

More than Fifty- One Years of My Life

More than fifty-one years have passed since I stepped a foot from Cairo Airport,

More than fifty-one years have passed since I arrived at Manchester Airport

Those long, amazing, years became “unique injections of numerous blessings”,

One blessing was a sweet feeling of “love” that continued to flow into my “Egyptian Heart”,

Another blessing was a deep “knowledge” that converted me to a new “British Brain”,

As time passed by, I became, somehow, a sort of a “Coin” with Two “Blessed Sides”,

One side was a “ Heart” marked with the “Unique Beauty of Egypt”,

Another side was a “Brain” privileged with the “Unmatched Wisdom of Britain”,

This “Egyptian-British” blessed a two-sided creature of the “One Person”, humble me, was to be “fortunate” to receive “many further blessings”,

One more blessing, again, went into my everlasting “Egyptian Heart of Love“, by a further British privilege of becoming close to Thatcherism. It deepened my solid Egyptian patriotism with conviction, realism, and self-reliance. Lessons from the Thatcherism Strategy might prove to be, hopefully, of great value to New Egypt.

Associated with this extra blessing, a miracle occurred. The growing advances in the “made-in-Britain brain” stood firmly and safely on the Coptic foundation implanted, smoothly and happily, in my brain, when I was eighteen years old, by my

dearest Professor Waheeb Meseeha. The result was an Anglo-Egyptian brain, focused on a key solid belief: that is “never trade-off Freedom for anything”.

No wonder I became what I am now: a “very proud newly made Spirit & Body”, made of a combination of Love & Brain, based on a harmonious blend of the Heart of the World: Egypt, and the Brain of the World: Britain

To you both: Egypt & Britain, I am deeply in debt, and to repay you, in full, in the form of an “action of substance”, is almost impossible,

So, permit me to repay my debt to you both by “Words”, coming, warmly, straight from my Heart & Brain; after all “In The Beginning was the Word” (St John 1.1)

To my “Beloved Egypt” I say “Do Not Give Up, You Will Make it”, and, always, remember:

God has not promised Sun without Rain, Joy without Sorrow, Peace without Pain. But God has promised Strength for the Day, Rest for the Labour, Light for the Way, Grace for the Trials, Help from Above, Unfailing Sympathy & Undying Love.

As to my truly “admired Britain” I say “ Stop searching for bad news, you have been Great, and will remain Great”, and the key to this is:” A Word”, remember:

A careless word may kindle strife, a cruel word may wreck a life, a bitter word may hate instil, a brutal word may smite and kill, a gracious word may lessen stress, a loving word may heal and bless.

Now, to you, both, the only two countries in my short-list I say: you, both, invented a new paradigm “ The affectionate loving wisdom of ancient & old culture & history”, for which a Nobel Prize is long overdue.

Last, but not least, to you, my dear friends, I say: May His love enfold you, May His strength uphold you, May His light shine upon you, and May His peace surround you.

Be happy: "Happy People make the World a SPECIAL PLACE"

From this moment on:

May we All

**LOVE
powerfully**

**GIVE
prayerfully**

**LIVE
purposefully**

**LEAVE
the rest**

**To
GOD**

Thank you and May God bless you all.
