

We rely almost entirely on the support of people like you: interested individuals who care about Egypt's heritage and want to see it preserved for future generations.

Thanks to your help, we're able to continue our mission to support and promote Egypt's cultural heritage.

The background of the advertisement is a photograph of an ancient Egyptian sphinx statue. The sphinx is made of light-colored stone and is shown in profile, facing left. It is situated on a tiered stone base. In the background, several tall palm trees stand against a clear, bright blue sky. The overall scene is brightly lit, suggesting a sunny day.
